How to use this form

Dear Member:

Usually, all providers of health care will bill us for services to you and your enrolled dependents. This is the preferred procedure. You are not bothered with claim forms and we often need more details than are ordinarily provided on bills to patients.

Sometimes, a provider like a doctor or an ambulance company may not bill us; they may send the bill directly to you. When this happens, we have no way of knowing about your claim. This *Claim Form* was developed to notify us of any covered health service for which we have not already been billed. Please read the following instructions about how to report health care services.

We are happy to serve you.
