Preapprovals for medical services

The chart below lists medical services that need to be preapproved. For each service in the list, the chart shows:

- ❑ **Who to contact** – Whether you (or your provider) needs to contact UniCare or AIM Specialty Health[®].
- ❑ **Minimum notice** – How far in advance you must ask for preapproval. Unless otherwise specified in the chart, you must request preapproval at least seven days ahead of the service or procedure.

Medical service / procedure	Basic, PLUS and Community Choice	Medicare Extension
