**Thank you for being a UniCare State Indemnity Plan member. Here is your new ID card. Please note the following information:**

- If your dependents have the same health plan option as you, their ID cards are included in this mailing. If they are covered under a different plan option, their cards will be mailed separately. If you do not receive your ID cards, call UniCare Member Services at **877-633-6396** (toll free).
- Your member ID number is a random number assigned by UniCare, rather than your Social Security number or any previous GIC member ID number. To protect your privacy, your Medicare number is not shown on your card.
- Show this card, together with your Medicare card, to your medical providers whenever you seek care.
- Register on our new Mobile Health app to get an electronic copy of your ID card. Learn more at **[unicarestatement.com](http://unicarestatement.com)**.
- You pay a \$10 copay for office visits.
- You pay a \$10 copay for routine eye exams (including refraction). This benefit is available once every 24 months.
- When receiving health care services, we recommend always using Medicare participating providers to receive the highest level of benefits.
- CVS Caremark/SilverScript administers your prescription drug benefit. To get prescriptions, use your prescription drug card (mailed separately by CVS Caremark/SilverScript to new Medicare Extension members only). To contact CVS Caremark/SilverScript, call **877-876-7214** (toll free) or visit **[gic.silverscript.com](http://gic.silverscript.com)**.
- For behavioral health care (within or outside Massachusetts), use behavioral health network providers to avoid higher copays and coinsurance. When you use these providers, you can also avoid being balance billed for charges above the allowed amount for behavioral health services. To find a network provider, go to the *Members* page at [unicarestatement.com](http://unicarestatement.com) and choose *Find behavioral health network providers* (under *Quick Links*).

If you have any questions about your ID card, call UniCare Member Services at **877-633-6396**.
