Thank you for being a UniCare State Indemnity Plan member. Here is your new ID card. Please note the following information:

If your dependents have the same health plan option as you, their ID cards are included in this mailing. If they are covered under a different plan option, their cards will be mailed separately. If you do not receive ID cards for all of your covered dependents, call UniCare Member Services at **877-633-6396** (toll free).

Register on our new Mobile Health app to get an electronic copy of your ID card. Learn more at unicarestateplan.com.

If you currently live outside of Massachusetts, you will receive a separate UniCare network ID card (green) to use when you see providers in your state.

You can visit any Massachusetts primary care provider or specialist for the copays listed below.

Medical Office Visit Copays:

Primary care providers:

- **Patient-Centered Primary Care providers in Massachusetts:** \$15 copay
(These are providers who participate in UniCare's Patient-Centered Primary Care program. To locate a Patient-Centered Primary Care provider, go to the *Members* page at unicarestateplan.com and choose the *Find a doctor* button.
- **All other primary care providers:** \$20 copay

Specialists:

- In Massachusetts only: Tier 1: \$30 copay; Tier 2: \$60 copay; Tier 3: \$75 copay†
- Outside Massachusetts: \$60 copay
- Specialists who are not tiered: \$60 copay

† To find out which tier a Massachusetts specialist is in, go to the *Members* page at unicarestateplan.com and choose the *Find a doctor* button.

You must notify the Plan when you are admitted to the hospital and before you receive certain services. See your member handbook for details.

To avoid being balance billed for charges above the allowed amount (balance billing):

- ❑ When you or your dependent travel outside Massachusetts and need medical (not behavioral health) care, use contracted providers. To find a contracted provider, go to the *Members* page at unicarestateplan.com and choose *Look for health care providers* (under *Quick Links*).
- ❑ For behavioral health care (within or outside Massachusetts), use behavioral health network providers to avoid higher copays and coinsurance. When you use these providers, you can also avoid being balance billed for charges above the allowed amount for behavioral health services. To find a network provider, go to the *Members* page at unicarestateplan.com and choose *Find behavioral health network providers* (under *Quick Links*).

Express Scripts administers your prescription drug benefit. To get prescriptions, use your prescription drug card (mailed separately by Express Scripts). To contact Express Scripts, call **855-283-7679** (toll free) or visit **express-scripts.com**

If you have any questions about your ID card, call UniCare Member Services at **877-633-6396**.
