

UniCare offers preferred vendors for certain services. You get the highest level of coverage when you use preferred vendors. For services marked with a **telephone** ☎, you or someone acting for you must call UniCare before the start of these services to receive the highest level of benefits.

If you have questions about using preferred vendors, call UniCare Member Services:
Basic, PLUS and Community Choice: 833-663-4176 Medicare Extension: 800-442-9300

Medicare Members Only

For services that Medicare covers, the preferred vendors are Medicare-approved suppliers. To find a Medicare-approved supplier, visit www.medicare.gov/supplier.

Use one of the UniCare preferred vendors listed here if:

- There is no Medicare-approved supplier available, or
- The service you need is not covered by Medicare, but it is covered by UniCare.

☎ Durable medical equipment (DME)

- Vendors for therapeutic air flow pressure relief mattresses and medical supplies are listed separately.
- You don't need to notify UniCare if you are getting oxygen or oxygen equipment.
